

How to download an issue PDF

Click on the magazine title you're interested in downloading

[Stroke Connection](#) | [Heart Insight](#)

If you're looking for an issue other than the most recent, click the "Issue Library" button to see all archived issues.

The screenshot shows the top navigation bar with the "Issue Library" button highlighted. Below it, a blue arrow points to a text box that says "Click the 'Issue Library' button to see all archived issues." The main content area displays the Winter 2020 magazine cover with the headline "LEAVE. AND DON'T COME BACK." and a sidebar with a "Table of Contents" listing articles like "AVOID ANOTHER STROKE: TAKE CHARGE OF HIGH BLOOD PRESSURE".

Scroll to find the issue you'd like to download. Click on the issue to open it.

ISSUES

A grid of six magazine covers is shown. The first row includes "Winter 2020" (same as the screenshot above), "Fall 2019" with the headline "HELPFUL TECH", and "Special Topic ..." with the headline "Stroke Rehab". The second row shows three more covers with headlines like "HELPING OTHERS UNDERSTAND", "WHEN A STROKE IS A WARNING SIGN", and "POETIC EXPRESSIONS". Each cover has a "Read" button below it.

Scroll to find the issue you're looking for.
Issues are organized from most recent to oldest available.

Once the issue is up, click on the "Download" button. Save the PDF to your computer.

The screenshot displays the StrokeConnection website interface. At the top left is the "Issue Library" button. The main header features the "StrokeConnection" logo and the text "AN AMERICAN STROKE ASSOCIATION MAGAZINE WINTER 2020". The central content area shows the magazine cover for Winter 2020, which includes the headline "LEAVE. AND DON'T COME BACK. Reducing post-stroke hospital readmissions" and other articles like "AVOID ANOTHER STROKE" and "HER JOURNEY BACK". On the right side, there is a navigation menu with a search bar, a "Close TOC" button, and buttons for "Print" and "Download". A blue arrow points to the "Download" button, which is enclosed in a red-bordered callout box containing the text: "Click the 'Download' button to download a PDF file and save it to your computer." Below the main content area, there are navigation controls including a zoom slider, "1 Page" and "2 Page" buttons, a "? Support" button, and the text "Powered by GTxcel".
